*Office Memorandum* • UNITED STATES GOVERNMENT

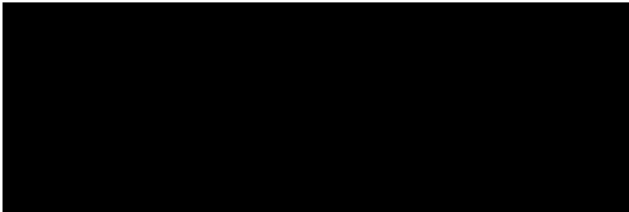

TO : Assistant Director, Research and Reports      DATE: 5 January 1951  
FROM : Chief, Basic Division, RR  
SUBJECT:  Output 25X1X7

REFERENCE: Memorandum from AD/CD to AD/RR, subject as above, dated  
30 November 1950.

1. Information requested in paragraph 4 of reference memorandum is furnished herewith.

2. The Revised Production Schedule for FY 1951, which was approved by the NIS Committee on 27 December 1950, provides for production of NIS elements on the Far Eastern countries as shown in attachment hereto. The dates shown are the dates on which these elements are to be submitted to D/Ba by the producing agency and they do not indicate publication date. Publication dates cannot be determined prior to receipt of contributions in D/Ba as processing time in D/Ba depends upon the qualitative adequacy of the material and upon other factors beyond the control of this office.

3. In addition to the scheduled production by the agencies, NIS elements now being processed in D/Ba are shown. Unless major revisions are found necessary, these elements will be published before the end of FY 1951.
